Top 10 Signs You're Ready to Break Up with VMware

10 — **YOU GOT THE RENEWAL QUOTE AND STEAM FLEW OUT YOUR EARS.**
📋 *Fine print:* Broadcom's licensing changes left many customers facing 3–10x cost increases with no additional value.

9 — **YOUR CFO HAS RECURRING NIGHTMARES ABOUT "PERPETUAL LICENSES."**
📋 *Fine print:* Perpetual licenses are gone. Broadcom moved to subscription-only bundles you didn't ask for.

8 — **YOU REFER TO YOUR BROADCOM ACCOUNT REP AS "THAT PERSON."**
📋 *Fine print:* VMware shed customer-facing sales teams and support staff post-acquisition. Good luck reaching someone.

7 — **YOU KNOW WHAT "VCF" STANDS FOR. THAT KNOWLEDGE MAKES YOU UNHAPPY.**
📋 *Fine print:* Want only vSphere Enterprise Plus? Too bad! Here's a pile of products you'll never use.

6 — **"PROXMOX VS HYPER-V VS NUTANIX AHV VS OPENSHIFT" AUTOFILLS WHEN STARTING A SEARCH.**
📋 *Fine print:* The alternatives have never been better. The timing has never been more right.

5 — **YOUR TEAM HAS A TEAMS OR SLACK CHANNEL NAMED #ESCAPE-FROM-VMWARE.**
📋 *Fine print:* The alternatives have never been better. The timing has never been more right.

4 — **YOU CAUGHT YOURSELF SAYING, "WE'RE BASICALLY PAYING FOR THE BRAND AT THIS POINT."**
📋 *Fine print:* You're not alone. Migration communities, tooling, and vendor support for VMware exits are booming.

3 — **YOUR VMWARE SPEND COULD FUND TWO CLOUD ENGINEERS AND AN ESPRESSO MACHINE.**
📋 *Fine print:* Total cost of ownership comparisons consistently show 40–70% savings potential with modern alternatives.

2 — **YOU READ THE NEW EULA, AND YOU'RE PRETTY SURE BROADCOM IS NOW YOUR MIDDLE NAME.**
📋 *Fine print:* Broadcom's new terms include audit rights, usage restrictions, & compliance burdens that didn't exist before.

1 — **YOU'RE READING THIS DOCUMENT AND NODDING SO HARD YOUR NECK HURTS.**
📋 *Fine print:* That's not a coincidence. It's a sign.

READY TO HAVE THE TALK?
The alternatives are mature, the community is large, and your budget deserves better.

It's not you — it's Broadcom.
